A MESSAGE FROM THE GRAND MASTER

As the holidays of Christmas and New Years are fast approaching, there is an anticipation of family and friends gathering for fellowship, fun, and just the enjoyment of the holiday spirit.

There is so much to be thankful for-just to be able to see another day is more than we really deserve-and for that, we are thankful.

Let us not build walls of concealment around our holiday celebrations, but of reaching out to those who are less fortunate. Place someone on our hearts whom we may surprise with our hospitality of inviting them into our homes.

Jesus gave us a new commandment to love one another at all times, but rarely do we see Brothers and Sisters past meetings. Jesus truly is the reason for the season and to celebrate His birth should be greater than anything this world has ever celebrated.

Thank you, God for the greatest gift we've ever received, and we should be shouting from the roof tops, Christ is born! We give Him the glory, we give Him the honor, we should be giving him all our Praise.

Enjoy the holiday season, and please be safe.

Honorable
Ronald E. Code, 33°

Most Worshipful
Grand Master

From the Office of
Sister Vanessa J. Ajayi
Grand Worthy Matron
December 2021

The Lord is my light and my Salvation; whom shall I fear? The Lord is my stronghold of my life; of whom shall I be afraid? Psalm 27:1

Greeting Sisters and Brothers:

We are about to enter the winter season which is represented by our fourth star point Martha and the strong faith she possessed after her brother; Lazarus died. I am hopeful that the Thanksgiving and the Christmas season will allow us to reflect on the many blessings God has given us this past year as we continue to face COVID-19, the Flu Season and whatever adversities you may have encountered during the past year.

I would like to extend a heartfelt welcome to all the new Sisters who recently joined Naomi Grand Chapter and have started attending the School of Instruction. I encourage you to attend class as scheduled because there is a wealth of knowledge you will obtain from the school.

I would like to thank each of you for a very successful 96th Naomi Grand Chapter Anniversary Celebration. The committee did an outstanding job. It was so nice seeing the many Sisters who joined us at the Forum, especially several of our sick and shut in members. There was great food and fellowship enjoyed by all.

Thank you to the Brothers for your ongoing support of Naomi Grand Chapter and all of the work you have been doing at 1205 Eutaw Place to repair and improve the Temple. Many Sisters have shared with me how many of our Brothers have escorted them to their cars at night, making them feel safe. Thank you for being your "Sisters Keeper".

As I begin each day with a grateful and humble heart, I share this prayer with you as we move through this winter season:

Thank you God for another sunrise, for your many blessings, your love for family and friends, and for giving me strength and guiding us through the storms of life. Amen.
Have a blessed holiday season.

*A message from
Grand Associate Matron
Sister Sabrina M. Rose*

Be kind and compassionate to one another, forgiving each other,
just as in Christ God forgave you.

Ephesians 4:32 NIV

Sisters and Brothers,

As we close out this year, I would like to thank each of you for your continuous support of the Grand Master and the Grand Worthy Matron as they find new ways to keep our Grand Lodge and Grand Chapter running smoothly. Even though we are still in a pandemic, you still find time to show up. Thank you to the Brothers and Sisters that are assisting with making cosmetic changes at the temple as well as with making ritualistic changes within our organization. It may not be easy, but the result will be rewarding. We appreciate everyone that volunteers to make our home away from home the best it can be.

As you enjoy your holiday season please do not forget our military members that may be deployed in harms way. These service members volunteer to uphold our way of life, they fight for our safety and protection and most of all for our freedoms.

With heartfelt thanks, remember to tell a veteran that you are grateful for their service and we pray that everyone makes it back home safely. From my family to yours; may the Lord grant you and all your loved ones peace, love, laughter and joy.

Wishing you prosperity in the New Year. Happy Holidays!

A WORD FROM OUR EDITOR

TRAVELING MAN IN MASONRY

In the ancient world of Operative Masonry, the masons were often required to move from job to job much as in our modern time. It was further explained that ancient master masons, just as 1st class masons of today, were more likely to travel great distances than those of lesser ranks (FC & EA). Due to their experience (and today, usually a membership in the labor union representing the craft) they could move freely from job to job. Those doing so were normally members of a Masonic guild, whose members would, if known, vouch for the qualifications of (or recommend) another 'traveling' mason.

In speculative masonry we as Master Masons may freely move from Lodge to Lodge (either visiting or moving membership) and upon proper avouchment or by testing be found worthy to attend another Master Mason Lodge. This is much the same as moving from one job to another or from one ancient Masonic guild to another.

Also, a Master Mason is a traveler from west to east, as east is the where the sun comes up, hence the source of light. Therefore, the master sits in the East, because it is the source of light. Thus, being a traveling man represents our journey from darkness to Masonic light (enlightenment). We "traveled" symbolically when we were raised to the sublime degree of Master Mason. Remember the words, "It will be necessary for you to travel"? And the condition of the road we would have to travel?

In Masonry we are told to seek the light. Light in Masonry is knowledge and from that knowledge comes information and understanding.

NOVEMBER 22, 2021

SEASONS GREETING TO THE HIRAM GRAND LODGE AND NAOMI GRAND CHAPTER FAMILY

Thanks to you we have been able to make numerous repairs and renovations to our Temples at 1205 Eutaw Place and our Temple at Turner Station, Dundalk, MD. When you come to the Temple at 1205 you will see:

- The windows on the front of the building have been repaired and painted.
- The hallways and steps from the first floor to the 4th floor are being painted.
- The Lounge on the first floor has been painted, carpet cleaned, and curtains put up at the windows.
- The library has been renovated and painted.
- New light fixtures in the hallways.
- The large Lodge room on the 3rd floor has been painted and new carpet installed.
- We can now see the work that was done to the 5 roofs, they are not leaking anymore.
- We now have WiFi throughout the Temple from the Grille Room to the 4th floor.
- There are new appliances in the kitchen (deep fryer and coffee maker etc.)
- We will be renovating the Grille Room, kitchen, and the main office after the first of the year.

We want to thank the Brothers and Lodges that have been working with us to get the job done. They have truly done a great job; 85% of the work was performed by the Brothers.

Currently we are having the 2 boilers at 1205 repaired and upgraded. The work will be completed by November 30, 2021. We installed a new heating system at Turner Station early 2021.

Once again, thank you for your assessments that help make these renovations possible, without them we would really would not have been able to get this done. Enjoy the holiday with family and friends!

FRATERNALLY,
RW ALVIN TRUESDALE, 33°
DEPUTY GRAND MASTER

HAPPY HOLIDAYS

BOARD OF DIRECTORS

Brothers of the Craft and Sisters of the Order,

I bring you holiday greetings as your President of the Board of Directors. This is a time of reflection. When we think back over 2021, (seems like it just got here) we have so much to be thankful for as an organization and as individuals. Our Jurisdiction has been slowly, but surely, coming back strong. We are seeing increase in the lodges and in the chapters. As individuals, we have been blessed to have good health during this pandemic and period of increased inflation. What a blessing!

As you look around the Temple, you will see all types of work being done. Work being done by Brothers and Sisters who love the institution of Freemasonry... Brothers and sisters who follow the leadership of our Grand Master and the Grand Lodge/Chapter Officers; we are seeing harmony about the house.

The Board of Directors would like to wish you and your family a blessed holiday and an even prosperous New Year. We are excited about the blessings that God will bestow upon us as individuals and as an organization moving forward. Let's stay in prayer for each other.

Fraternally,

Brother Thomas Hardnett

To Your Health

Women and Migraines

About 28 million women in the U.S. suffer from migraines, affecting their lives, their jobs and their health. Women with migraines are twice as likely to have a stroke or heart attack. This is especially the case if they experience migraines with auras, which often take the form of sensory disturbances like flashing lights.

While the cause of migraines is not fully understood, it has been known to have some connection to varying estrogen levels during the menstrual cycle. Therefore, so many women get migraines right before or during their period, although most also get them at other times.

What You Can Do

Avoiding some potentially associated substances or behaviors may help women prevent a migraine. Common triggers to avoid include:

- Alcohol, especially those high in tannins
- Caffeine
- Foods with nitrates, like lunch meats
- Foods high in tyramine like aged cheese and meats
- Lack of sleep
- Skipped meals

There may be other triggers like the weather or stress. If you experience chronic migraines, it is important to talk to a physician about finding relief. Prescription medications can treat migraines quickly and, in some cases, help prevent them.

Give yourself the greatest gift of all this holiday season – a health check-up!

WORDS TO LIVE BY

“Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came three wise men from the east to Jerusalem, saying where is he that is born King of the Jews? For we have seen his star in the east, and are come to worship him.”

Matthew 2: 1-2

The best gift for the young is giving a relationship with God.

Hold fast to dreams for if dreams die, life is a broken winged bird that cannot fly.

Anger itself is not wrong; how and when we express it can be right or wrong; expressing it with malice is never right.

People seldom improve when they have no model but themselves to copy

The best place to find a helping hand is at the end of your own arm.

Faith to lead you - Joy to lift you - Love to light your way

Faith it until you make it!

Jesus is the reason for the Season. Blessings to the Jurisdiction!

Working?

My first job was working in an Orange Juice factory, I got canned because I couldn't concentrate.

Then I worked in the woods as a Lumberjack, but just couldn't hack it, so they gave me the axe.

After that, I tried being a Tailor, but wasn't suited for it -- mainly because it was a sew-sew job.

Next, I tried working in a Muffler Factory, but that was too exhausting.

Then, I tried being a Chef - figured it would add a little spice to my life, but I just didn't have the thyme.

Next, I attempted being a Deli Worker, but any way I sliced it.... I couldn't cut the mustard.

My best job was a Musician, but eventually found I wasn't noteworthy.

I studied a long time to become a Doctor but didn't have any patience.

Next, was a job in a Shoe Factory. Tried hard but just didn't fit in.

I became a Professional Fisherman but discovered I couldn't live on my net income.

I managed to get a good job working for a Pool Maintenance Company, but the work was so draining.

So, then I got a job in a Workout Center, but they said I wasn't fit for the job.

After many years of trying to find steady work, I finally got a job as a Historian - until I realized there was no future in it.

My last job was working in Starbucks, but I had to quit because it was the same old grind.

So, i tried **RETIREMENT**, and found I'm perfect for the job!

Enjoy the holidays with family and friends!

Greetings Brethren,

MERRY CHRISTMAS and HAPPY NEW YEAR!!

I SEE YOU'VE TRAVELED SOME

Wherever you may chance to be Wherever you may roam,
Far away in foreign lands; Or just at Home Sweet Home;
It always gives you pleasure, it makes your heart strings hum
Just to hear the words of cheer, "I see you've traveled some."
When you get a brother's greeting, and he takes you by the hand,
It thrills you with a feeling that you cannot understand,
You feel that bond of brotherhood that tie that's sure to come
When you hear him say in a friendly way "I see you've traveled some."
And if you are a stranger, In strange lands all alone
If fate has left you stranded Dead broke and far from home,
It thrills you--makes you numb, When he says with a grip of fellowship,
"I see you've traveled some."
And when your final summons comes, To take a last long trip,
Adorned with Lambskins Apron White and gems of fellowship
The tiler at the Golden Gate, With square and rule and plumb
Will size up your pin and say "Walk In", "I see you've traveled some."
